Attention: Additional forks exclusively possible with underclearance according to ISO class »B« version

Note: Container must have suitable insertion slots.

Also available with sideshift, model T493/180 on request

Rotating Bale Clamp T453/180

Specification:

An additional fork pair distinguishes this attachment from the Rotating Bale Clamp T453 and allows easy and safe emptying of the most different transport containers or grid boxing with suitable insertion slots.

Qualities:

- Good visibility conditions
- Stable construction
- Rotation 360° endlessly
- Optionally with sideshift available
